

TEAM GEORGIA

For the 16th year in a row, Atlanta Track Club will sponsor Team Georgia at this year's Foot Locker Cross Country South Regional Championships. As part of the sponsorship, the Club will be providing a full race kit for the top 15 boys and girls from the state as they look to qualify for the Foot Locker Cross Country National Championships. The race will take place Saturday, November 25th at McAlpine Park in Charlotte, NC.

Additionally, the Club will team up with the Georgia Track and Field and Cross Country Association to provide a team tent, snacks, and hydration for all members of Team Georgia. Any Georgia athletes interested in setting up their own tents will be welcome to join and watch the race alongside Atlanta Track Club.

To provide runners with their kits, the Club will need confirmation and sizing information from athletes planning to race next Saturday – including alternates. Please email Enrique Tomas at Etomas@atlantatrackclub.org to notify the Club if you'll be attending. All Georgia athletes are responsible for their own entry fees and registration.
